Contract Solutions - Factory
Via E.Petrone zona industriale P.I.P.
Lotto 14 71045 - Orta Nova (FG) Italy

The CONTRACT SOLUTIONS was founded in 2010 by the merger of two companies operating in the interior stand construction sector, specialized in steel and wood works.

The total number of workers is 19 people plus 4 external professionals who work with us full-time.

We have two sites:

- The site of Orta Nova: via Enzo Petrone Lotto 14, 71045 (FG)
- The site of Aprilia: via Torre del Padiglione 73, 04011 (LT)

- The site of Orta Nova has an area of 600 mq where work is performed of:

- Aluminium door and window frames;
- Steel manufactures;
- Structural carpentry;

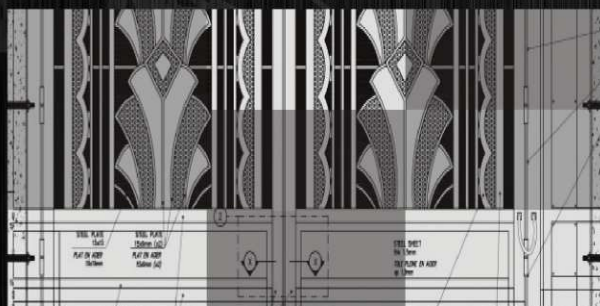

- The site of Aprilia has an area of 500 mq where work is performed of:

- Wood furniture and similar;
- Wood manufactures;
- Canopies and structural roofing wooden;

Our company is able to follow the technical and administrative process of procurement, ensuring with internal staff:

- ARCHITECTURAL DESIGN;

- EXECUTIVE DESIGN;

- PRODUCTION;

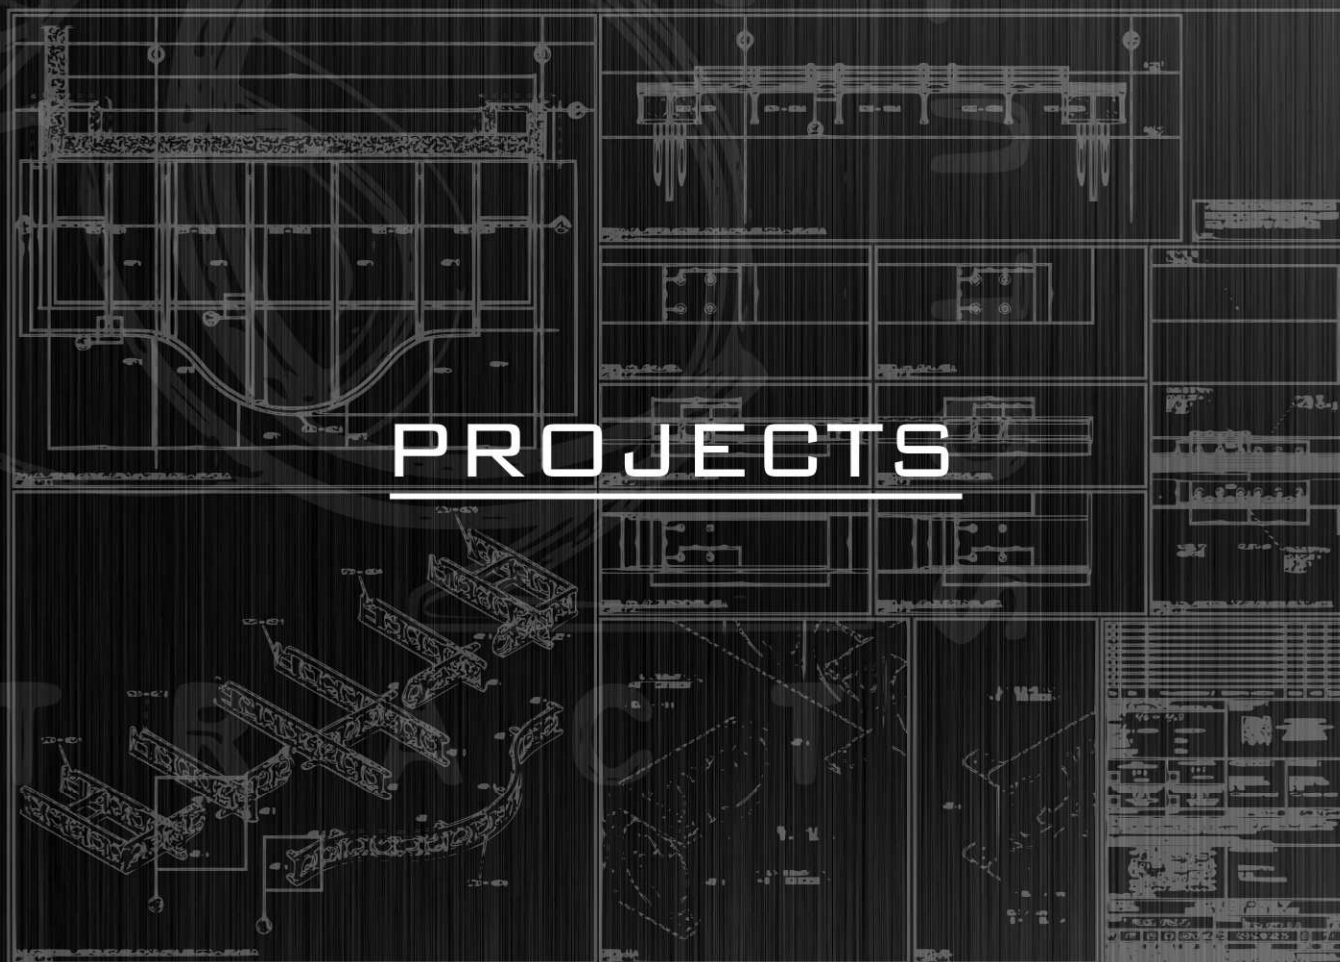

- INSTALLATION;

The CONTRACT SOLUTIONS has its own technical department consisting of No. 4 Architects working in the field of furnishings for civil and naval interior.
